Lent, Triduum		Positive comments on the Formed program and using all three chapels. Living Stations of the Cross were impressive and received coverage in local paper and the Catholic Missourian. They were well planned and carried out with good participation. 2023 will be bilingual.			
Corpus Christi		Plans were discussed for the service and procession on June 19.  Liturgical color is white.		Deacon Turf will acquire the permit and solicit help for the traffic control. Tina will secure persons to fulfill candle, canopy, thurifer and crucifer bearers. Julie will coordinate the music. Father has visited with second graders for their participation. Bonnie will contact D of I for the reception at Sacred Heart. David Dick and Jodie Chmelir will be contacted to prepare Sacred Heart Chapel (note: kneelers from Adoration Chapel are to be moved for use in front of the pews), Nestor will make sure someone secures St. Patrick's. Father will invite Mr. Gonzalez to have a role. If rainy, service will be at Sacred Heart.	
St. Vincent DePaul statue		The commission discussed the options and decided on the following options to be presented to the parish. St. Patrick – on wall where tabernacle is or where Our Lady of Lourdes statue is. Sacred Heart-on wall in gathering space or wall opposite the chimes, St. John – St. Vincent DePaul and St. John statues on opposite sides of the altar with the angels removed or one angel and St. Vincent DePaul statues on opposite sides of the altar.		.Liz will work with Dianne to prepare information to be presented to parish in June.
